Barn Theatre **Cashback**

We understand how difficult it is for charitable groups and various volunteer organisations to raise money. The Barn Theatre Cashback scheme is a great way to generate funds for your charity or organisation and have a great night out at the same time.

The Barn Theatre is looking to help groups like yours to raise much needed funds by incorporating fundraising into a theatre trip.

This makes fundraising for your group almost effortless – you've just got to come along to the theatre, have a great evening, and your organisation can benefit greatly from it!

Bring your colleagues, friends or family to the theatre and for every ticket purchased we will make up to a 20% donation of the total cost into your nominated fund.

Up to 10 tickets = **5%** donation
Above 10 tickets = **10%** donation
Above 20 tickets = **15%** donation
Above 30 tickets = **20%** on the total order.

The more people you bring, the more money you can raise!

The Barn Theatre **Cashback** applies to all matinees and **Built by Barn** evening performances on Mondays, Tuesdays and Wednesday only.

How does **Cashback** work?

- You will need to appoint a coordinator who will contact and collate numbers of all those interested in attending one of our Built by Barn professional shows. The coordinator will be entitled to one complimentary ticket.
- The coordinator will then place an order for a given number of tickets by contacting the Barn Theatre Box Office for the production you wish to attend.
- The Barn Theatre will raise an invoice for the total amount for payment.
- Once paid, tickets will be emailed to the coordinators address.
- 30 days after your visit, The Barn Theatre will make the specified donation into the charity/funds of your choice.

It's that simple!
